Project Title: Elon Musk Website

This website will have multiple pages. It will have a navigation bar at the top with subsections. Throughout the page, I'll use a lot of photos since he made a lot of accomplishments such as PayPal, space x, and tesla.

- Home Page/Introduction – Basic introduction of his career and accomplishments.
- Early life and Education
- Major Career (Space X, Tesla)
- View (Political view, his twitter comments, etc)
- Personal Life
- Sources – sources of everything (photos, websites, etc)
